

Circuit Court of Illinois
Sixth Judicial Circuit

Administrative Order 08-4

Subject: Receipt of monies by the Clerk of the Circuit Court in Traffic and Conservation Cases Where No Signed Plea of Guilty or Demand for Trial received

1. Pursuant to Supreme Court Rule 529, the clerk of the circuit court is authorized to accept a plea of guilty and payment of fines, penalties, and costs for traffic and conservation cases for which no court appearance is required as provided in Supreme Court Rule 551.
2. The clerk is further authorized by Supreme Court Rule 554 to substitute bail on traffic and conservation offenses. In instances where the clerk receives a payment on behalf of a defendant where no plea of guilty has been entered, no signed plea of guilty is attached, or no other direction such as a request for substitution, has been provided by the defendant, upon the receipt of such a payment, it is hereby ordered that the clerk of the court shall:
 - a. Identify the appropriate traffic or conservation case for which the payment was submitted;
 - b. If there has been no judgment entered against the defendant in the case, post the payment as bail in the case;
 - c. If the payment is equal to or exceeds the bail for the case, substitute the original bail posted, such as a driver's license or bond certificate, with the payment as provided by Rule 554, and
 - d. Return a receipt to the defendant for the amount of bail posted, and where a substitution of the original bail has been made, any driver's license or bond certificate previously posted.
3. It is further ordered that, if no court appearance is required as provided in Supreme Court Rule 551 and the appearance date for the case is on or prior to the day of posting, the case shall be set for hearing on the next available court date for an entry of an *ex parte* judgment pursuant to Supreme Court Rule 556, otherwise no further action is required by the clerk.
4. If the clerk is unable to identify a case for the defendant, the payment shall be returned to the sender at the return address. If no return address has been provided, the clerk shall deposit the payment as a miscellaneous payment to be turned over to the state as unclaimed state property as provided by law, unless other wise ordered by the court.
